

GEORGE BALIAS

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Balias George

Adress: Harokopio University

School of Environment, Geography and Applied Economics Department of Geography

El. Venizelou 70, Kallithea, P.C. 17 671

Phone (+30)2109549261 (office) 6945 850 352 (cellphone) Email: gbalias@hua.gr

RESEARCH INTERESTS

My research interests include policy and regulation related to the protection of the environment and human health. In particular, these are:

- a) Horizontal policy and regulation, such as Environmental Impact Assessment and Risk Regulation.
- b) Vertical policy and regulation related to nature and biodiversity, climate change, water, chemicals, plant protection products, GMOs, the marine environment, environmental liability, waste, air pollution, renewable energy sources.

EDUCATION

PhD, Law School, EKPA (2009).

Law School, Aristotle University of Thessaloniki (1977)

DOCTORAL DISSERTATION TITLE

Environmental Risks: Intertwining Science, Law and Politics (graded with "excellent").

PROFESSIONAL EMPLOYMENT

- 2020-2022: Scientific Director of the ELIDEK-funded program in the context of the first call for faculty members, entitled Genetically Modified Organisms: Legal and Socioeconomic Parameters.
- 2019-2021: Associate Professor, Department of Geography, Harokopio University. Subject:

"Environmental Impacts and Environmental Protection Policy".

- 2014-2019: Assistant Professor, Department of Geography, Harokopio University. Subject: "Environmental Impacts and Environmental Protection Policy"
- 2012-2014: Teaching Delegate (P.D. 407/80) at the Department of Geography of Harokopio University
- Lawyer at the Supreme Court and the Council of State, legal representative of public legal entities, environmental NGOs and citizens in trials on environmental and human health protection issues.
- 2006-2007: Legal Advisor to Greenpeace International on the issue of GMOs.
- 2009-2012: Co-leader of the scientific team of the University of Thessaly (together with Professor D. Kouretas) that prepared a study on behalf of the Cypriot government, following an international competition, on the coexistence of genetically modified and conventional or organic crops.

TEACHING EXPERIENCE

At undergraduate level

Environmental Impact Assessment, independent teaching (Harokopeion University) Environmental Protection Policies, independent teaching (Harokopeion University) Environmental Management, co-teaching (Harokopeion University)

Composite Geography Subject, co-teaching (Harokopeion University)

At postgraduate level

Environmental Risk Governance, independent teaching (Harokopeion University)

Environmental Legislation-Precautionary Principle, independent teaching (Department of Medicine, National University of Athens).

Genetically Modified Organisms, independent teaching (Department of Biochemistry Biotechnology, University of Thessaly)

Supervisor of five postgraduate theses (completed) and three postgraduate theses (in progress).

Also, member of a three-member committee on ten postgraduate theses (completed).

At doctoral level

• Supervisor of the following seven (7) doctoral theses.

1. Gyftopoulou Stefania, Governance of Urban Diversity: Learning from Rancière's Radical Equality and Pedagogy.
2. Doukas Nikolaos, Institutions and Mechanisms for Addressing Risks and Disasters in Local Government.
3. Karagiannopoulou Maria, Climate Change: The Impacts on Health and Biodiversity. 4. Kouka Martin, Space and Politics: Sociological Transformations in the Era of Globalization.
5. Kalofyri Paraskevi, Health and Environmental Risks and the Institutional-Regulatory Framework for Addressing Them: The Case of Endocrine Disruptions.
6. Liosatou Paraskevi, The European Union's climate change policy and its implementation in Greece.
7. Paraskevopoulos Vassilios, The EU's energy policy and its implementation in Greece.

SCIENTIFIC PUBLICATIONS

Monographs

1. Environmental Impact Assessment in the European Union, Athens, Papazisis Publications, 2018, p. 270.
2. The Regulation of Genetically Modified Organisms (GMOs). Law and Governance for a New Technology, Athens, Nomiki Vivliothiki Publications, 2011, p. 240.
3. Environmental Risks. Intertwining Science, Law and Politics, Athens, Ant. N. Sakkoulas Publications, 2009, p. 581 (PhD thesis).
4. The Precautionary Principle in International, Community and Comparative Law, Athens, Ant. N. Sakkoulas Publications, 2005, p. 566.

Chapters in collective volumes with Critique

1. G. Balias, "The Directive 2004/35 on Environmental Liability. A (brief) critical approach". In *"Environmental Liability, Prevention and Restoration: Challenges and Opportunities for the Protection of Biodiversity in Greece"*, Heraklion (2017).
2. G. Balias, "Climate Change in Environmental Impact Assessment". In *"Environmental Challenges in the 21st Century"* by Sakkoulas Publications Athens Thessaloniki (2020).
3. G. Balias, "The Appropriate Assessment of the Impacts of Projects and Plans in Natura 2000 Network Areas". In *Honorary Volume for the 50th Anniversary of the Ordinary Administrative Courts*, Athens-Thessaloniki, Sakkoulas Publications, 2015, pp. 1063-1095.
4. G. Balias, "The Risk Per Se: Towards an Expansion of Civil Environmental Liability?" In *ENVIRONMENTAL LIABILITY: THEORETICAL DEVELOPMENTS AND PROBLEMS OF IMPLEMENTATION*, Athens, Nomiki Vivliothiki, 2010, pp. 105-124.
5. G. Balias, "The REACH Regulation: The basic provisions and the problems of their interpretation and application". In *The regulations for chemicals. The REACH regulation*, Athens, Ant.N. Sakkoulas publications, 2009, pp. 69-134.
6. G. Balias, "Genetically Modified Organisms in international and community law: A general view". In *GENETICALLY MODIFIED ORGANISMS*, Athens-Thessaloniki, Sakkoulas publications, 2008, Publications of Medical Law and Bioethics-7, pp. 21-127.
7. G. Balias, "Regulatory Regulations for GMOs: Intertwining Science, Law and Politics". In *Dikaio & Bioethiki*, Athens, Nomiki Vivliothiki, 2007, pp. 31-60.
8. G. Balias, "The coexistence of GMOs with conventional and organic crops and the protection of the citizen". In *POLITICAL ECOLOGY IN GREECE*, Athens, Euonymos Oikologiki Vivliothiki publications, 2006, pp. 107-116.
9. G. Balias, "The precautionary principle as a factor of dialectical tension between law and science". In G. Kremliis, G. Balias, A. Sifakis (eds.), *THE PRECAUTIONARY PRINCIPLE, LE PRINCIPE DE PRECAUTION*, Athens-Komotini, Ant. N. publications. Sakkoula, 2004, pp. 45-95.
10. G. Balias, "Regulatory regulations for GMOs in international and EU law". In T. K. Vidalis, K. Manolakou, G. Balias, *Genetically modified organisms and sustainable development*, Athens, ed. Ant. N. Sakkoulas, 2004, pp. 43-149.

Articles in scientific journals

1. "European legislation on environmental authorisation: thoughts on its interpretation by the CJEU and the Council of State", *Perivallon & Dikaio* 1/2025 (Forthcoming).

PRESENTATIONS AND PARTICIPATION IN SCIENTIFIC CONFERENCES, WORKSHOPS AND LECTURES

1. “Protecting Climate and Nature: Two Sides of the Same Coin”. Presentation at the conference on “Climate Change: Impacts, Consequences and Ways to Manage Climate Change in Greece” organised by the Foundation for International Legal Studies Prof. Elias Crispis and Dr. A. Samara-Crispi under the auspices of the National University of Athens, Athens, 2025.
2. “The general institutional framework for GHG emissions and fossil fuels (coal, oil, natural gas)” organized by the Crete Initiative against Mining, Chania 9-11-2024.
3. “The Legal and Political Framework for the Green Transition in the EU” Presentation at the conference organized by Harokopio University and the Association of Administrative Judges, entitled: Contemporary Legal Problems, Edipsos, Evoia, 2021.
4. “Legal Issues of Forest Management in NATURA 2000 Network Areas”. Presentation at the two-day conference on “Forest Ecosystems: Current Interdisciplinary Approaches and Administrative Justice” organised by the Department of Geography of Harokopio University and the Association of Administrative Judges in Athens on 1-2 December 2017.
5. “Directive 2004/35 on Environmental Liability: A (Brief) Critical Approach”. Presentation as an invited speaker at the conference on “Environmental Responsibility, Prevention and Restoration: Challenges and Opportunities for Biodiversity Protection in Greece” organised by the University of Crete (Natural History Museum) in Heraklion, Crete on 8-10 September 2017. (Conference proceedings, pp. 19-28).
6. “Paris Climate Change Conference: Goals and Decisions”. Presentation as an invited speaker at the conference on “Climate Change: Local Government and Thessaly in the Face of the Global Challenge” organised by the Regional Union of Municipalities of Thessaly in collaboration with the University of Thessaly in Karditsa on 9-10 June 2017.
7. “Climate change: science, uncertainties and the precautionary principle”. Presentation at the conference on the topic: “Climate change: Scientific and legal-political aspects” organised by the Department of Geography of Harokopio University and the Association of Administrative Judges in Athens on 8-9 April 2016.

8. “Climate change: Field of complex relations between science and politics” Presentation at the conference on the topic “Climate change” organised by the TEE of Thessaly in Larissa on 2 June 2016.

9. “GMOs: European developments-Greek reality”. Presentation at the special session of the Special Standing Committee on the Environment of the Parliament on “Issues related to GMOs” held in Athens on 19 May 2015.

10. “Genetically Modified Organisms: A Complex Scientific, Legal and Social Issue”. Presentation at the two-day conference on “Applications of Spatial Planning and Environmental Policy – Problems and Prospects” organised by the Department of Geography of Harokopio University and the Association of Administrative Judges in Athens on 14-15 November 2014.

11. “The Activation of the Environmental Liability Mechanism”. Presentation at the conference on “Judicial protection of the environment and liability for environmental damage” organised by the European Center for Environmental Research and Training of Panteion University, the Athens Bar Association and the Hellenic Society of Environmental Law at Panteion University on 12 December 2012.

12. “The right to the environment: towards a deconstruction of (legal and scientific) positivism”. Presentation at the two-day conference on “Cultural rights and newer generations of human rights” organised by the Department of History, Archaeology and Social Anthropology of the University of Thessaly in Volos on 10-11 June 2011.

13. “The right to the environment and the assessment of environmental impacts”. Presentation at the conference on “Sustainable Development: Right to the Future” jointly organised by the Directorates of Primary and Secondary Education of the Prefecture of Aitolioakarnania and the Management Body of the Mesolongi-Aitoliko Lagoon in Mesolongi on May 26, 2011.

14. Participation with a presentation at the conference on “Nuclear Energy, Environment and Health” jointly organised by the Union of Greek Physicists and the Postgraduate Program of the Medical School of the University of Athens “Environment and Health: Management of Environmental Issues with Impact on Health” in Athens on April 14, 2011.

15. “Protection of the marine landscape”. Presentation at the conference on “Threatened Landscapes” jointly organised by the Aegean Network of Ecological Organizations, the Coalition of Boeotians for the Environment and the magazine “Oikologeín” in Athens on February 18, 2011.

16. «Environmental and Health Risk regulation: interplay between science and law» Presentation at the international SYMPOSIUM on the topic: “Man and Environment: interdependence for the future” jointly organised by four postgraduate programs of the Medical School of the National University of Athens on December 16, 2010.

17. «The Environmental Liability Directive: Prevention, Remediation, Allocation of Obligations» Presentation at the conference on the topic «Environmental liability-prevention and remediation of environmental damage» organised by the Technical Chamber of Greece in Athens on June 30, 2010.

18. «The institutional framework of risk assessment for food (CODEX ALIMENTARIUS, EUROPEAN FOOD SAFETY AGENCY, WORLD TRADE ORGANIZATION)». Presentation at the conference on the topic: “Environment and health-nutrition” organised by the Medical School of the National University of Athens on June 9, 2010 within the framework of the postgraduate program “Environment and Health: Management of Environmental Impacts on Health”.

19. “The Institutional Framework for the Creation and Operation of Marine Protected Areas.” Presentation at the conference on the topic “Creation and Management of Marine Protected Areas” organised jointly by the University of Piraeus and the Municipality of Milos on April 24, 2010 in Milos.

20. “Environmental responsibility for the prevention and restoration of environmental damage.” Presentation at the conference on “Open Forum on Environmental Crime” organised by the Ministry of Environment, Public Works and Transport in Athens on December 4, 2009.

21. “The perception of risk and regulations for the protection of the environment and health.” Presentation (jointly with Associate Professor G. Samiotis) at the 2nd International Conference on “Risk Society – Challenges in the 21st Century” organised by the Hellenic Sociological Association in Athens on November 5-7, 2009.

22. “Risk per se: towards an expansion of civil environmental liability.” Presentation at the international conference on “Environmental Liability: Theoretical Developments and Implementation Issues” organised by the Piraeus Bar Association on June 26-27, 2009 in Piraeus.

23. “The precautionary principle.” Presentation at the conference on “The threat to health from the environment: Medical, Bioethical and Legal Dimensions” organised by the National University of Athens in the context of the events for the 170th anniversary of the University of Athens on May 26, 2008.

24. “The REACH Regulation: The basic provisions and the problems of interpretation and implementation.” Presentation at the conference on “The regulations for chemicals and the REACH Regulation” organised by the journal Law and Nature at the University of Athens on April 17, 2008.

25. “The Precautionary Principle as a Tool for Environmental and Health Protection”. Lecture organized by the Technical Chamber of Greece in Athens on January 30, 2008.

26. “Genetically Modified Organisms in International and Community Law: A General

Perspective”. Presentation at the conference on “Genetically Modified Organisms” organised by the Medical Law and Bioethics Study Group in Thessaloniki on December 7, 2007.

27. “Regulations for GMOs”. Presentation at the conference on “Law & Bioethics” co organised by the Society of Greek Judicial Officers for Democracy and Liberties, the Institute of Biological Research of the National Research Foundation and the National Bioethics Committee, in Athens on 9 February 2007.

28. Participation in the International Conference JOURNEE MONDIALE DE LA PHILOSOPHIE organised by UNESCO in RABAT (Morocco) on 15-18 November 2006. (Table ronde VII on the topic “Quels fondements pour un ordre mondial juste et solidaire?”).

29. “Regulations on GMOs in international and community law: the intertwining of science, law and politics”. Presentation at the conference on “Genetically Modified Organisms and Sustainable Development” organised by the journal Law and Nature at the University of Athens on 10 February 2004.

30. “Regulatory Approaches to Genetically Modified Organisms (the Cartagena Protocol, WTO Law and EU Law): Contradictions, Convergences and Prospects”. Presentation at the International Conference on: “Law and the Protection of Nature” organised by the Hellenic Society of Environmental Law on 5-6 December 2003 in Athens.

31. “The Case of Hazardous Waste and the Limits of Law”. Presentation at the International Conference on: “Hazardous Activities and Environmental Law” organized by the Piraeus Bar Association on 17-18 January 1997 in Piraeus.

PARTICIPATION IN ASSOCIATIONS AND UNIONS

- Member of the Piraeus Bar Association.
- Member of the Medical Law and Bioethics Study Group of the Aristotle University of Thessaloniki
- Member of the Scientific Committee of the Administrative Judges Association's journal ADMINISTRATIVE LAW
- Member of the Bioethics Committee of the Pasteur Institute.
